Instructor: Gelaina Allen

Contact information: Gelaina@comcast.net 601-278-6594 (call or text)

Location: First Baptist Fannin

Course Description:

Learn tips and tricks for each section on the ACT! Standardized Tests are a beast of their own. It takes more than just knowledge in the areas covered to score well. You must learn the language of the test itself. Practice is one of the main keys to testing well and it often gets brushed aside in the busyness of High School life. This class is designed to have a set time for students to study for the ACT and be held accountable for taking the practice tests. We will cover each of the four sections.
